The DogSmith National Dog Training and Pet Care Franchise Adds Pet Waste Cleanup to Services

The DogSmith, a national Dog Training, Pet Sitting, Dog Walking and Pet Nutrition Franchise now offers Pet Waste Cleanup as a new service.

Washington County, Florida, February 10th, 2010 – The DogSmith Franchise Services, the nation’s only full service pet care franchise has now added Pet Waste Cleanup to its service offerings. “Our mission is taking care of the entire pet, from training, walking, and sitting to behavior and nutrition and now we will even pickup the messes they leave behind. We take care of both ends of the leash,” says DogSmith founder Niki Tudge.

Tudge points out that The DogSmith services set a new standard for in-home pet care and dog walking. “As a dog trainer and pet care professional responsible for looking after a client’s family pet, being an animal lover is not enough. You also need the training, skills and experience that qualify you as a DogSmith Pet Care Technician. And who better to take care of your pet’s every need than a certified DogSmith Dog Trainer & Pet Care Technician?” says Tudge.

The pet waste cleanup service offered by locally owned and operated DogSmith Franchises adds to a wide array of DogSmith pet care programs such as canine slumber parties, dog romps, and daily dog walks as well as private and group dog training programs including “latch-key,” and “board and train” programs. All DogSmith technicians are fully insured, bonded and certified in Canine/Feline first aid.
