The DogSmith Training Center certifies its first Pet Sitting and Dog Walking Franchise in Pennsylvania.

Emerald Coast, Fl and Slatington PA, October 22, 2008 – The DogSmith Training Center proudly announces the certification of the first DogSmith Franchise in Pennsylvania. Jennifer Satterlee, owner of an established Pet Sitting and Dog Walking service, has now qualified as The DogSmith of Lehigh Valley.

The DogSmith (Smith; *noun* – one who expertly works at something specified, used in combination; such as blacksmith, locksmith and wordsmith) offers a wide variety of individually tailored Dog Walking and Pet Sitting services which can be customized to suit your particular needs and schedule. Whether you need your pet cared for while you are on an extended vacation or you simply want the family pooch walked while you are busy at work, The DogSmith’s technicians are fully insured, bonded and certified in Canine/Feline first aid.

Satterlee stresses that The DogSmith services provide a new level of in-home pet care and dog walking. “Pet sitting requires specialized skills and every DogSmith staff member is a fully certified *Pet Care Technician*,

The DogSmith pet care program is unique in that it is managed by certified dog trainers and pet care professionals. Because of this their level of understanding and expertise concerning your pets is unmatched in the pet care industry.

According to their website The DogSmith exists to provide affordable and professional care to family pets so that pet ownership is never a burden. “Caring about animals is not enough” says Satterlee, “you also need the training, skills and experience to qualify as a DogSmith Pet Care Technician.”
