

# What Does My Dog Like?

## What Reinforcers Can I Use?

Whatever works for the dog? Remember it has to have a reinforcing value to the dog so lots of yummy rein-

forcement on a continuous fixed ratio at the beginning.

High Value – for new and more difficult activities

Medium value – for training sessions where you are recapping information

Find at least three primary and three secondary reinforcers your dog will choose to work for

### Examples of Food (Primary Reinforcers)

- Alpo beef bites
- Apples
- Atta Boy treat sticks
- Bacon
- Beef wieners
- Beef Jerky
